Wally and Sonya Stewart have returned from a trip to Pennsylvania – Philadelphia, Harrisburg, Hershey and Gettysburg.

MEMBER TRAVELS

07/16 Thought I would give you a update on Ed and Donna's travels in the MGTD. They left this past Saturday morning. They drove up through the Shenandoah valley, cut across PA., NY., and Conn. Ed said he has been running about 3700 rpms and they have been staying on the road about seven hours a day. Car has not given any trouble at all. He said they are taking their time, and having a wonderful trip. He called me about a hour ago, said they were driving up the coast of Maine. Get this; he said it is 67 degrees. They will follow Maine into Canada. I'll give you another update in a few day's time. Bruce Edge

SUMMER WEEKEND

The mountain folks who went to Hendersonville and drove the mountain roads were: Walt & Iris Brown, David & Jo Davis, Fred & Betty DeShong, Dave & Millie Headrick, Charley & Edith Hylton, Eddie & Frances Pearce, Steve Ratcliffe & Madell Dobrushin, Mike & Marcie Speer, Tony & Pat Stakis, Jim McCormac, and Robert Muckenfuss.

NEW MEMBERS

Cheerio and welcome to Tony Tubecki and his 1951 MGTD.

SONIC

It was too hot to have a SONIC get together in June. Think July was any better?

MOUNTAIN TOP HOP

Here's a fun opportunity!

Robert Muckenfuss <robert.muckenfuss@atd1.net> wrote:

On August 7 & 8, 2010 I'm doing a "Mountain Town Hopp". By this I mean that I will be hopping from town-to-town in the South and North Carolina mountains and would like to invite anyone to come along. I do not mean for this to be a club sponsored event. I'm going to do this regardless (weather permitting) but thought the more the merrier and those that participate certainly can do whatever they want to do. It will be a casual drive from town-to-town stopping whenever, browsing shops, eating ice cream, and doing lots of driving. The route has not been inked in yet but it will be somewhat of a circle bedding down Saturday night about halfway. Then the circle will bring me back to the highway heading home sometime Sunday afternoon.

This is not limited to LBC's and non-members are encouraged to come and see how much fun we members have!

Anyone interested can reach me at these numbers:
